MEDICAL RECORD REQUEST RECEIVED

Please disregard this notification if you have already received the requested records.

Patient Name: H, COREY
Case#:
Medical Provider: Texas Health Hospitals - All
635 E Lamar Blvd Ste 123 Arlington, TX 76011

Dear Medical Records Requestor:

The request for medical records noted above has been received and is in process.

Verisma Systems, Inc. provides Release of Information (ROI) services for the medical provider noted above and its patients. Medical records that meet all HIPAA and state requirements are usually available for distribution with three to five business days after completion.

The following steps occur once the ROI process is complete:

1. The medical records requestor is notified of any missing or incomplete items when the request does not meet all HIPAA and state requirements.
2. Medical records are distributed by download in a standard PDF format using our secure electronic delivery service, on a password-protected and encrypted compact disc ("CD"), or in a paper hard copy form after all compliance and payment requirements have been met. Records provided on CDs are sent via USPS with en route tracking.
3. Delivery options (please retain this letter for future password use):
 1. Use the *Access Code* provided below to track this request at <https://track.verisma.com/> and, for applicable transactions, pay for and download a PDF file to your computer.
 2. If records are provided on CD, the *Access Code* provided below is also the password to open the CD.
 3. Records are available in paper hard copy.
 4. By providing your email address, we can send a link so you are able to download the records.
